

Gain or Loss per Tanker (01 July 2025 – 14 August 2026)

Executive Summary

- Gains and losses are recorded in both Mogas and Gas Oil shipments.
- All gains/losses are accounted in the Price Stabilisation Account (PSA).
- STC does not make any surplus on Mogas and Gas Oil as their prices are regulated.
- Report supports decisions taken under Regulation 5.

Summary by Product

Product	Total Volume (Litres)	Total Gain/(Loss) (Rs M)	Avg Gain/Loss per Litre
Mogas	330,857,486	(916.73)	(2.7708)
Gas Oil	289,640,851	(5.08)	(0.0175)

How to Read This Report

Each row in the report refers to an individual shipment of Mogas or Gas Oil. The key columns include:

- **Vessel:** Shipment received on the specified date via that Marine Tanker (MT)
- **Product:** Mogas or Gas Oil
- **Current Retail Price:** The retail price fixed as per the *Consumer Protection (Control of Price of Taxable and Non-taxable Goods) Regulations 2011*.
- **Real Cost:** Actual cost paid by STC for that shipment, which includes the purchase price of the product (Platts), the premium (insurance, freight and the supplier's margin).
- **Current Transfer Price:** STC's present selling price of Mogas and Gas Oil to Oil companies.
- **Calculated Transfer Price:** Based on invoice paid by STC to its supplier, STC calculates the new transfer price for each shipment, which varies daily as per Platts prices.
- **Gain/Loss per Litre:** Difference between current transfer price and calculated transfer price (excluding Fund to/(from) PSA and Adjustment).
- **Quantity Sold:** Total number of litres sold to the 4 Oil Companies from that shipment.
- **Total Gain/Loss per product:** Surplus or loss incurred per shipment for Mogas or Gas Oil.
- **Total Gain/Loss per shipment:** Total surplus or loss incurred per shipment for both products.

Note:

The above calculations, which are for the period of 1 July 2025 to 14 August 2026, exclude:

- (a) any windfall gain or loss incurred on the stock of Mogas or Gas Oil at the depot of Oil companies at the time when there is a change in the retail price of the product;
- (b) the interest received on funds available in the Price Stabilisation Account (PSA); and
- (c) the interest paid on loans taken by the STC to finance any deficit in the PSA.
- (d) Shipments highlighted in yellow are not actualized as payments are not yet effected.
- (e) Exchange rate of Rs 47.6954/USD (BOM Selling T.T - 10.08.2026) is used to compute gains for unactualized shipments.
- (f) The shipments which are highlighted in yellow are not actualized as payments are not yet effected.
