

Contract of Affreightment for Transportation of Clean Petroleum Products

Ref. STC/COA/01/ MAY 19 launched on 3 May 2019

Clarification No. 2

Attention: All Bidders

Query No. 1

Request to change the age limit of performing vessel from 12 years max. to 15 years max. for transportation of clean petroleum products.

Reply No. 1

Bidder needs to strictly abide by the requirement of the tender document COACPP - Section B. CONDITIONS OF CONTRACT - Clause 3. Performing Vessel(s). No adjustment can be made in the tender requirement.

Query No. 2

Request to adjust the cargo size and combination of loading quantities of clean petroleum products from 43,000 MT +/- 5% to 40,000 MT +/- 5%

Reply No. 2

Bidder needs to strictly abide by the requirement of the tender document and the Addendum published on STC's website on 10 May 2019. No adjustment can be made on the cargo size.
